

USING CONVENIENCE CENTER SITES

Designed for residents of Beech Mountain, this easy reference guide on the county's waste and recycling services tells how to properly prepare your recyclables and dispose of other special wastes.

These convenience center sites are for residential waste and recycling only. All commercial and business waste generators must take waste directly to the Avery or Watauga Landfills.

For more information, visit the Avery and Watauga Solid Waste Departments on their websites:
www.averycountync.gov
www.wataugacounty.org

Use this map of Avery and Watauga Counties to find the nearest convenience site listed on the back of this brochure.
